

## Table runner pattern

1/3 and 1/2 yards of fabric  
1/3 yd is front of table runner  
1/2 yd is back and borders on front

(may change width of runner--- any 6 inch difference in width)

Length of runner is salvage to salvage

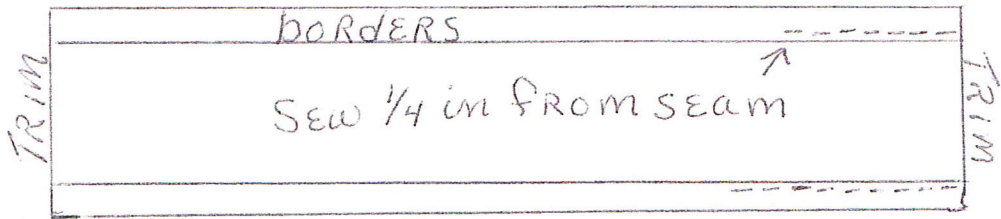

Sew right sides together (salvage to salvage)

Turn right side out

Part of back will become borders on front

Press well-- measure as you press so there are equal borders on each side. Sew 1/4 inch from border seams

Trim salvages off ends to even up

Fold right sides together (right side is side with borders)

length of runner (salvage to salvage)

Sew across both ends--press and tack down
