President's Message for September 2014

This month our nominating committee will be looking for candidates for the positions of Vice President and for Secretary of our chapter to serve 2015/2016. Please consider volunteering to help lead our group in the coming year. I will miss my current board members but look forward to the new ideas and assistance of new people as well. We are an ever evolving chapter and new blood is always refreshing. Hey if I can do this anyone can, so please consider the positions seriously.

Don't forget that September 2nd will be the first Guild daytime meeting and will be held at the Savannah Center from 9 – 11:30 am so we will not be having our usual business meeting at Lake Miona that morning.

Happy Quilting,
Ann

BLOTTO for 2014—Joyce McKee

Blotto blocks continue to be creative and inspirational. The butterfly blocks sponsored by Nancy O. were won by Bonnie Harshaw. Bonne and Beth Dombek are sponsoring the Sawtooth Star we are completing in August and all the material is cut and provided along with instructions. How easy is that? Nancy O. has volunteered to do another block for September. Join in the fun and you just might win enough blocks for a quilt top.

Display case: Sue KriECK and Helen Valois

A huge THANK YOU to Marlene Serra and Darlene Bandoly for pulling double duty with the display case for the months of July and August. We appreciate your talents. Joyce Doig and Ellen Miller are scheduled for the month of September. Lynn Otwell and Mary Loux are signed up for October but since Mary is leaving the group, we will need someone to assist Lynn with a display. If anyone is interested, please contact Lynn or me. Thanks to all of you for your contribution to the display case. It won't be long before I'll be "knocking on your door" for next year. Please don't be afraid to sign up to put something in the case. They've all turned out great and they don't have to be an elaborate display. We've all got things we're proud of that could be displayed. Think about it.

A Cup of Coffee With Judy Richter by Donna Kudner

Well, I found out this morning that you can bank on Judy Richter! Having had a career that spanned several banking institutions in eastern Pennsylvania, she's familiar with the industry. Judy and her husband have been retired to The Villages since 2006. They live in the village of Glennbrook and it is the second house for them here. I've heard it said that the average number of homes one purchases in TV is three. The Richters are doing their part. The mother of three adult children, two daughters and a son, and the grandmother of two teenage boys, she has a lot of reasons to keep that sewing machine humming. Most recently Judy was working on a Tee-shirt quilt for one of the boys.....that's a fast path to alopecia! She claims to be the owner of two sewing machines, one here and one up north. Seems the youngsters' save some mending for her when she comes to visit so she won't get bored. Don't you just LOVE thoughtful children?

In addition to quilting and some home decorator sewing, Judy loves counted cross stitch. Many of us have been fortunate enough to see some of her stunning work. In the category of OTHER, she has a particular fondness for line dancing and baking sweets, though presumably not at the same time. A really good person to get cozy with during the holidays. To balance out the cooking, she goes to the gym three days a week and often takes walks around a nearby pond teeming with aquatic bird and other wildlife. She says she enjoys the fresh air, exercise and monitoring the progress of the wee ducklings.

Now stop by her table from time to time and say howdy, but try not to confuse her with your own personal take on Tee-shirt quilts! There's no single way of piecing and sashing those darned motifs.

Regards from the coffee table,

If you are entering a quilt, please fill out the entry form and give to Bev Jahn or Nancy Wildzunas. A photo of your entry must be submitted with the entry form by October 1, 2014. Challenge quilts do NOT require a photo due to the nature of the category. The photo is for identification purposes and to verify category selection. The quilt does not need to be finished when the picture is taken.

Charity Committee –Joyce Doig

Big Winner– our own Donna Rissman

Donna Rissman was the first one to bring her row by row quilt in to Tomorrows Treasures. She won 24 fat quarters and a gift card. It is amazing how hard it is to pick out that many fat quarters when you are not paying for them! Pictured is Donna with her quilt and the lovely label she designed. Congratulations on a job well done. We hope to see more of these quilts from those of you who collected the patterns from all over the states
