

LAUREL MANOR NOTE: 1-17-12

Refer to last week minutes because the items we need to make the flip flops are at the bottom of that E-Mail [Webmaster: all minutes available on the Guild website: www.qgotv.org / Laurel Manor (scroll to bottom to click the month ... brings you to a linked in page where you can find minutes by the meeting date)]

Bring your machines to work on flip flops and or any charity or personal items you are working on.

I will be sending a notice that Laurel Manor Quilters group is full at this time.

We are in charge of the February 07 Guild meeting. Please remember to be there by 6:00 if you volunteered. the regular meeting starts at 7:00. The speaker is Mark Sherman (Trapunto).

Valentine blocks are due February 07 - 12 and 1/2" unfinished block

We voted to continue secret sister as it was last year, No brown bag. Pat will be making up a list of questions for us to fill out. We will draw for new secret sister names on Feb 07. Participation is by choice. Alice will again keep the names for us.

The plan is to work on dolls on January 31st for anyone who is interested. Joy has lots of materials she is willing for us to use.

As you can tell, Carell is again out traveling. We hope to see her, this coming Tuesday.

Thanks!

Jeannie
